

This Modification incorporates the following significant changes to contract DE-AC36-99GO10337:

- I. Section J, ATTACHMENT 1 “KEY PERSONNEL” of Contract DE-AC36-99GO10337 is deleted and replaced in its entirety with the following which reflects the addition of Mr. Dale Gardner, Associate Director, Systems Integration to the list of Key Personnel:

**SECTION J – LIST OF DOCUMENTS, EXHIBITS AND OTHER
ATTACHMENTS**

ATTACHMENT I

KEY PERSONNEL

In accordance with Clause I.83 “Key Personnel” of this contract the following personnel are identified as key to the success of this contract.

Admiral Richard H. Truly	Director
Ms. Bobi Garrett	Associate Director, Planning and Technology Management
Dr. Stanley R. Bull	Associate Director, Science and Technology
Mr. Jerry Bellows	Associate Director, Laboratory Operations
Ms. Jessie J. Harris	Associate Director, Communications and Stakeholder Relations
Mr. Dale Gardner	Associate Director, Systems Integration

Should a key person voluntarily or involuntarily terminate employment at the National Renewable Energy Laboratory for any reason that information will be communicated in a timely manner to DOE, and the name of the individual selected as the replacement will be submitted to DOE for approval consistent with the provisions of I.83.
