(e) Acquisition of construction estimated to cost \$3 million or less, including new construction, an repair and alteration of structures, shall be a small or small disadvantaged business set-aside. For acquisition in excess of \$3 million, small business or small disadvantaged business set-aside will be considered on a case-by-case basis.

(f) The following method was used in developing subcontract goals:

The product and service areas to be subcontracted were established based on historical data for the types of acquisitions normally required to meet the mission, goals and objectives under the prime contract. The small, small disadvantaged, and women-owned small business concerns areas of subcontracting opportunities were determined through DOE class set-asides, National Renewable Energy Laboratory established class set-asides, historical data for acquisitions that are available from the local market place, and a review of the current known acquisition requirements for FY01.

(g) Indirect and overhead costs (check one below):

have been have not been

included in the goals specified in 1.(c) and 1.(d).

(h) If "have been" is checked, explain the method used in determining the proportionate share of indirect and overhead costs to be allocated as lower-tier subcontracts to small business concerns and small disadvantages business concerns.

Midwest Research Institute reviewed the planned major and minor construction projects for new building, and for alterations and repairs and maintenance activities to determine the potential amount of overhead costs that would be acquired through acquisitions. In addition, the various other types of services acquired (e.g., janitorial services, mowing, snow removal) with overhead costs were reviewed to determine the potential acquisition from overhead costs.

2. The following individual will administer the lower-tier subcontracting program:

Name: Daniel J. Cornell

Address & Telephone: 1617 Cole Blvd., Golden, CO 80401, (303) 384-7547

Title: Contracts and Business Services Director

The Contracts and Business Services Director will be assisted by the Small Business Liaison, Group Managers, and the Team Leaders in administration of the subcontracting program as defined in the Laboratory's procedures for Socioeconomic Programs. These individuals are as follows:

Victoria Nosal, Small Business Liaison, (303) 384-7325
Jerome Hicks, Group Manager, (303) 384-7392
Kristin Bombeck, Group Manager, (303) 275-3193

 - (ii) Activities will be monitored to evaluate compliance with this subcontracting plan.
- (c) Small, small disadvantaged, women-owned, HUBZone, and veterans business concern source lists, guides and other data identifying small, small disadvantaged, and women-owned business concerns will be maintained and utilized by buyer sin soliciting subcontracts.
- (d) Additions to (or deletions from *) the above-listed efforts are as follows:

None

*Please provide rationale for deletion on separate sheet.

- 4. Midwest Research Institute agrees that the clause entitled "Utilization of Small, Small Disadvantaged, and Women-Owned Business Concerns" will be included in all subcontracts which offer further subcontracting opportunities, and all subcontractors (except small business concerns) who receive subcontracts in excess of \$500,000 will be required to adopt and comply with a subcontracting plan similar to the plan required by the FAR Clause 52.219-9, Small, Small Disadvantaged, and Women-Owned Business Subcontracting Plan. Such plans will be reviewed by comparing them with the provisions of Public Law 95-507, and assuring that all minimum requirements of an acceptable subcontracting plan have been satisfied. The acceptability of percentage goals shall be determined on a case-by-case basis depending on the supplies/services involved, the availability and prior experience of potential small, small disadvantaged, and women-owned subcontractors. Once approved an implemented, plans will be monitored through the submission of periodic reports, an/or, as time and availability of funds permit, periodic visits to subcontractor's facilities to review applicable records and subcontracting program progress.
- 5. Midwest Research Institute agrees to:
 - (i) cooperate in any studies or surveys as may be required by the contracting agency or the Small Business Administration,
 - (ii) submit periodic reports in order to determine the extent of compliance by the Contractor with the subcontracting plan and with the clause entitles "Utilization of Small, Small Disadvantaged, and Women-Owned Business Concerns" contained in the contract,
 - (iii) submit Standard Form (SF) 294, Subcontracting Report for individual Contracts and SF 295, Summary Subcontract Report, in accordance with DEAR 919.708(b) and the instructions on the reverse side of the form; and
 - (iv) ensure that its subcontractors agree to submit Standard Form 294
- 6. Midwest Research Institute agrees that it will maintain at least the following types of records to document compliance with this subcontracting plan:
